embrace the heart of hospitality

tap into terri's gift of hospitality by hosting a private event with the schenzels! as you prepare one of terri's favorite meals, you will receive cooking tips and family recipes, followed by meaningful conversation around the table. here's how it works:

1- **pick a date to host**

2- **choose a location** (for either a lunch or dinner event of your choice)

3- **invite a minimum** of three other couples (\$25/couple with ty and terri) or eight girlfriends (\$14/pp with terri only)

once you have your info, email terri to get started! this is a great way to bless your friends and to have fun cooking, dining and discussing marriage and relationships!
